

# KOREA-INDONESIA FOREST CENTER

## PHOTO CONTEST FOR YOUTH & MILLENNIALS

Theme: "The Nature's Masterpiece: Forests Amidst the Pandemic"

---

As the pandemic outbreak pushes global communities, forests provide safety nets for the most vulnerable societies and forest-dependent communities by providing tangible and intangible forest products. In terms of tangible forest products, forest provide food, energy and other nutritional diversity. During this crisis, healthy forest could also provide resilient economies and societies.

To promote the value of forest for dealing with the pandemic crisis, we invite young people to submit photos of forests amidst the pandemic. This contest is an opportunity for young people to show that forest could be a vital sector to respond the pandemic.

### Who can participate?

This contest is open to everybody with the following categories:

- Youth (age 13-23 yo)
- Millennials (age >23 yo)

### Guidelines:

1. The submitted photos must be your original work without watermark, and has never been included in any competition.
2. You may submit maximum 2 photos per entry, and you are required to provide unique title and description (in English), as well as location for each photo submitted.
3. Photos submitted should be in JPEG format with a maximum size of 9MB.
4. Photos could be taken by any device (DSLR, Mirrorless, Trap Cam, Handphone, Drone, or other device) and entries should be based on the theme outlined.
5. Photos that portray or contain any infringing, threatening, false, misleading, abusive, harassing, libellous, defamatory, vulgar, obscene, scandalous, inflammatory, pornographic or profane content will be discarded.
6. Basic editing, including colour enhancement, filters, and cropping of the photo is acceptable, provided any such editing does not affect the authenticity and/or genuineness of the Photo(s).
7. Advanced editing used to create illusions, deceptions and/or manipulations, and the adding and removing of significant elements within the frame is prohibited.
